A first impression

The residential complex consists of a total of 69 residential units and is located in a quiet urbanization near the coastal town of Sa Rapita. The generously designed complex offers first floor apartments with a private garden area as well as apartments on the upper floor with a balcony on the living level and a roof terrace for private use. All units are south-facing, which not only ensures sufficient light in the apartments, but also guarantees a high degree of privacy. It is a modern and exclusive complex consisting of nine buildings. The apartments have two to three bedrooms and a living space of 94 square meters to approximately 120 square meters. All apartments offer terraces and verandas, while the penthouse units also have a roof terrace of 70 square meters or 115 square meters. The apartments are fully equipped with a fully fitted kitchen, 2 bathrooms, air conditioning (hot and cold) and underfloor heating in the bathrooms. Each apartment also includes an allocated parking space and a lockable cellar. The parking spaces have a charging station for electric cars. In addition to the large swimming pool, the communal area of the complex also has a sauna and a gym for communal use. A show apartment is available for viewing. The apartments will be completed in fall 2024. Handover will take place in spring 2025. A virtual viewing is available for this property.

All about the location

The cozy and rustic villages of S'Estanyol and Sa Ràpita belong to the municipality of Campos. Here are some of the most beautiful beaches on the island. The fine, white sandy beaches of Sa Ràpita and Ses Covetes/ Es Trenc invite for long walks. In the evening, life takes place in the numerous restaurants on the coastal road. The eponymous capital of the municipality Campos is located about 10 kilometers from the coast on the road from Palma in the direction of the resorts on the east coast.
