A first impression

This elegant flat with 3 bedrooms, 2 bathrooms, an exceptional design and a stunning covered terrace is located in La Quinta and offers sea, mountain and nature views. Apart from the beautiful sea views, every evening you can enjoy the sunsets and the surrounding nature from the terrace. The large covered terrace with a spacious seating area, space for sun loungers and a barbecue area is a real highlight. The property has been completely refurbished and a lot has been invested in improvements and high qualities in all rooms. The kitchen is the centrepiece of the property, ultra-modern and fully equipped with top of the range appliances. It is worth mentioning that the bedrooms have generous built-in wardrobes with large interior fittings and high quality ceiling fans and the living area has a large fireplace. The community Balcones de La Quinta is gated and has beautiful communal areas and mature gardens with two swimming pools. Whether second or main residence, this is a great property to enjoy all year round. The good infrastructure, the proximity to San Pedro de Alcántara with all its services, and several international schools such as Laude International School or Colegio San José located in the area, make this area the ideal place to acquire a permanent or holiday residence. Marbella centre is only a short drive away and the international airport of Malaga can be reached in only 40 minutes. The famous harbour "Puerto Banus" with its luxury shops, restaurants, yachts and nightlife can also be reached in less than 10 minutes.
