A first impression

This immaculately modernized apartment offers the unique quality of a designer penthouse through its two spacious terraces with views over the rooftops of Santa Catalina to the sea on the horizon. The open conception of space, which connects kitchen and living area to a generous unit, creates a light-flooded oasis of well-being. Both the sun terrace with outdoor shower and the terrace with outdoor dining area open a wide view with urban flair, which at night spreads a sea of lights in front of the viewer, while offering perfect peace and privacy. Three bedrooms and two bathrooms make up the private area, which exudes harmony and relaxation with the utmost attention to detail and design. The apartment is offered fully furnished.
